For more information on EPDs, visit redangus.org.

- CE**..... **Calving Ease Direct** – predicts the probability of calves being born unassisted out of 2-year-old heifers.
- HPG**..... **Heifer Pregnancy** – predicts the probability of heifers conceiving to calve at two years of age.
- CEM** **Calving Ease Maternal** – predicts the probability of a given animal's daughters calving unassisted at two years of age.
- STAY**.... **Stayability** – predicts the probability that a bull's daughters will remain in the herd until at least six years of age.
- BW**..... **Birth Weight** – predicts the difference, in pounds, for birth weight, and is also used in the calculation of Red Angus' Calving Ease Direct (CED) EPD.
- WW** **Weaning Weight** – predicts the difference, in pounds, for weaning weight (adjusted to age of dam and a standard 205 days of age).
- YW**..... **Yearling Weight** – predicts the expected difference, in pounds, for yearling weight (adjusted to a standard 365 days of age).
- Milk** **Milk** – predicts the difference in maternal production of an individual animal's daughters as expressed by the weaning weight of their calves.

- CW**..... **Carcass Weight** – predicts differences in hot carcass weight and is expressed in pounds. Because Red Angus' CW EPD is a multi-trait.
- REA**..... **Rib Eye Area** – predicts differences of carcass Rib Eye Area between the 12th and 13th rib.
- FAT** **12th Rib Fat Thickness** – predicts differences for carcass fat depth over the 12th rib, as expressed in inches.

Grand Prix's calves are small at birth and the heaviest at weaning. We use him on both heifers and cows. He was a member of the 2004 North Star Classic Grand Champion Pen of Three Bulls and also the 2005 NWSS (Denver) Red Angus Reserve Pen of Three Bulls. He was the high-selling bull at Denver.

His heifer mates were the 2004 North Star Classic Supreme Pen of Heifers as well as the 2005 NWSS Grand Champion Pen of Three Heifers. His sire, Grand Prix, and grandsire, Grand Canyon, have both been Red Angus National Champions. He has an outstanding dam and granddams from top to bottom going back to Forster's \$50,000 cow.

Future Sire

Watch for his calves in next year's sale. He was the high-selling Red Angus bull at the 2010 Black Hills Stock Show.

Terms & Conditions

Terms:

Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle. All animals are the owner's risk prior to their sale and become the property of the purchaser as soon as declared sold by the auctioneer.

Bidding:

All animals sell to the highest bidder. Any dispute or challenges regarding bids will be settled by the auctioneer and his decision will be final.

Guarantee:

The bulls are guaranteed to be sound breeders. You may semen test or test breed them prior to breeding season and make your own evaluation. Any bull sold that fails to prove himself a breeder may be returned to the seller after notification by the buyer of the condition within five months of sale date. If a bull is proven unable to breed, the buyer will be given a full refund of purchase price; or a replacement bull as acceptable to the buyer; or credit in next year's sale.

Terms:

In no case will the seller be responsible for more than actual purchase price. The seller's guarantee does not apply if the animal in question has developed to be a problem breeder due to negligence or improper management by the buyer.

Announcements:

Announcements from the auction block will take precedence over printed matter in this catalog.

Liability:

All persons who attend the sale do so at their own risk and the owner and sale manager assume no liability, legal or otherwise, for accidents which may occur.

*Thank you for
attending our sale!*
