# Leland Red Angus ...

*Seedstock for commercial producers who sell by the pound but demand maternal efficiency!*

At Leland Red Angus, we've never strayed far from our commercial roots. Our cattle are backed by 10 years of selection for carcass merit and 40 years of measurements beyond the numbers for udder correctness, structural soundness and quiet dispositions.

***Leland Red Angus remains the dependable source of quality for producers who sell by the pound!***

# A Sample of Bulls Offered in the 2011 Leland Red Angus Sale

These cattle are range calved and raised on dryland native pasture with no creep feed or preferential treatment. The ranch performance test is designed to maintain

their future function with a full guarantee. The bulls listed on this brochure represent the higher performing bulls. Many low-birthweight heifer bulls are not listed.

A complete sale catalog will be available by late February and will also be posted on our website:
