# Welcome

## Welcome

2015 is here and I can say I have never been so excited to get some newborn calves on the ground. We have purchased four new herd bulls in the spring of 2014 that I think will leave a long lasting impact on both our cattle and yours. We are due to start calving heifers around January 22nd and cows are A.I. bred to start February 1st. Hard to believe it is that time already!!

A little bit about the bulls. In the past we have always creep fed our calves. I believe that creep feed is an effective tool to express the genetics and early muscle development to the calves and also by adding a little extra condition prior to weaning! This year I have decided to leave the feeders at home (no creep)! I think that in making this choice the bulls that are kept for the sale pen and the females kept to make into replacements will be long lasting, hardworking, honest self-made cattle that were selected because of their own explosive genetics and mama's hard work!

The calves were weaned October 9, 2014, a month later than I normally do. Everything got a little late this year! The bulls have really excelled. They are in just right condition, and the disposition on the bulls is awesome! The calves for sale were all born and raised by me on the ranch. Some will have the KKC tattoo, Kal-Kota Ranch, as we were lucky enough to hand pick 40 cows and 18 open heifers from Ed and Anne and they will have their prefix this year. We have an outstanding set of bulls and heifers for sale in this offering!

The cattle are on a full vaccination program and are also on a TMR (Total Mixed Ration) consisting of millet silage, ground prairie hay, cracked corn, corn distillers and a full mineral package. All average daily gains (ADG) are based on a 70-day weigh period.

We will keep the bulls free of charge until May 1, 2015, or when delivery is arranged. We will be taking bulls home on sale day so they can receive their soundness exam by the Steele Veterinary Clinic in March. We strongly advise buying insurance on your purchase.

Rohrich's Cutting Edge Ranch would like to thank you for your time and interest in our program.

Sincerely,

Rick, Amber, Kaden, Kylee and Kolden Rohrich

# Sale Information

## **CATTLE VIEWING:**

Bulls and heifers will be available for viewing at Napoleon Livestock on Friday & Saturday, Jan. 23 & 24, 2015. Prior to that, you are welcome to visit us at the ranch, 10 miles north of Steele, N.D., on Hwy 3, east side of road, and view the bulls and heifers.

## **HEALTH:**

Both bulls and heifers are on the Select Vac Vaccination Program. They will be poured and receive their foot rot vaccination prior to delivery. The Steele Veterinary Clinic can assist with any further health questions if needed. Contact them at (701) 475-2300.

## **INSURANCE:**

All purchases become the buyers' responsibility as soon as they are sold. We recommend insuring your bulls and/or heifers on sale day, especially if we are taking them back to the ranch. Mortality Insurance will be available through Grassroots Insurance Associates, Kirby Goettsch, (605) 380-3939.

## **FEEDING AND CARE:**

Free bull keep until May 1. Bulls are developed on a total mixed ration to ensure soundness and longevity.

## **DELIVERY:**

Free delivery in North Dakota or up to 300 miles. We will assist in anyway possible to get your animal where it needs to be.

## **BREEDING GUARANTEE:**

All bulls and females are guaranteed breeders and guaranteed healthy on sale day. The bulls will have a semen test and breeding soundness exam performed by the Steele Veterinary Clinic before delivery. Bulls are guaranteed to be breeders during the first breeding season. We fully guarantee the sale bulls to the buyer's satisfaction through Sept. 15th of the first year.

## **SEMEN INTEREST:**

We reserve the right to 1/3 semen interest on all bulls unless stated otherwise on individual lots.

## **SUPPLEMENT SHEET:**

Adjusted yearling weights will be available sale day.

## **SCROTAL MEASUREMENTS:**

Published scrotal measurements are actuals, taken Dec. 9, 2014.

## **AVERAGE DAILY GAIN:**

The bulls ration is developed to target a 3- to 3.25-lb.-per-day of gain. This year's bulls are averaging 3.98lbs. per day. Start weight was taken on Oct. 9, 2014, and final weight was taken on Dec. 31, 2014, for a total of 70 days. This is a grower ration and they will stay on this ration until delivery.

## **TERMS AND CONDITIONS:**

Cattle will sell according to the terms and conditions suggested by the Red Angus Association of America, redangus.org.

## **PROMOTION & CATALOG DESIGN:**

13B is a HXC Conquest 4405P son with a little extra birth weight. He has calving-ease numbers but is made with coarser front shoulders. You'll have to be the judge whether to use on heifers or not. He is a super thick, deep-bodied bull that will get the job done. His great granddam is a cow we flush and also have an ET heifer calf in the sale out of her and a younger bull calf in the sale out of her. A long line of great genetics!

## ENTOURAGE-SIRED BULLS LOTS 19-36

L83 Entourage 112 is the caliber of herd bull that anyone would be proud to have roaming their pastures. He is extremely long spined, super thick, deep ribbed, big topped and dark red with an outstanding disposition. This is our second calf crop out of him and his calves are proving themselves to be tremendous in every aspect.

With the record prices and the huge demand on Red Angus-influenced females you cannot go wrong with any of the L83 Entourage 112 calves. If you retain your own females, you couldn't ask for a more front-pasture brood cow. In the sale there are 18 bull calves sired by L83 Entourage 112 that average 84 lbs. at birth with an average 205-day weight of 751 lbs. with no creep.

I will have a few yearling heifers for sale out of L83 Entourage 112 so you can see the consistency and uniformity for yourself on sale day. Buy any of these bulls with confidence. They are free moving, well balanced type of cattle that stand on a good foot. They are sure to last you a long time and put a little extra cash in the bank.

Wildwind is a bull we bought from L83. We used him for clean up on some of the heifers the first year, and last year he was used on some commercial cows. He is a very aggressive breeder and will cover a lot of cows. We purchased four new bulls last year and no longer need him.

### "YOU PICK 'EM" HEIFERS

Cutting Edge Ranch is offering these heifers right off the top; they are the cream of the crop! Our replacement pen was cut not once, but twice and if you walk through the sale cattle or the replacement pen you will see how phenotypically complete these good heifers really are, one after the other. The cattle for sale were selected on genetics, performance, disposition, eye appeal, fertility and the mothers they come from could walk anyone's pasture, second to none! These heifers will excel in anyone's program and when the gavel strikes, I will be proud to take whichever one home that you don't choose!

She is out of our Y08 Win-Chester 745W daughter we bought out of the ND Red Select Sale who's first calf was a HXC Conquest 4405P heifer calf that we raised and sold in the 2014 ND Red Select Sale to Phil Bernie, WRAZ Red Angus, for \$5,250. We decided to flush her after having that first calf. She is an excellent flush cow. She also bred back and has 90B, a younger bull in the sale. Take your pick - you can't go wrong going home with either 407B or 410B.

## CATTLE USA.com

### **Set up an account**

Setting up an account is a simple two-minute process.

1. Look for the log-in area on the upper left portion of the screen.
2. Find the blue button labeled "Register to View"
3. Fill in the form with your name, email, state, username and password.
4. Press the proceed button at the bottom of the page.

Any time you come back to CattleUSA just enter your username and password to log-in and watch auctions.

### **Get approved to buy**

Each auction approves its own buyers, no buyers are approved by CattleUSA. This is done for your privacy and security. Your buyers information is kept private and is only released to the auctions you choose. In order to obtain approval to buy at an auction you will need to submit your contact information to each auction you wish to buy from.

1. Log in to CattleUSA.
2. Push the Submit button next the auction you wish to be approved at. The first time you do this, a form will pop-up for you to fill out your contact information. Fill out your information then push the button at the bottom of the form to continue.
3. You have now sent your information to that auction. The auction will now be able to find you in their data base and approve you to buy. If you would like to be approved at other auctions push the submit button next to each auction you wish to be approved at. Your information will be forwarded to those auctions only.

Auctions do not have access to your information until you send it to them.
