# WELCOME

The Sperry Family (L to R): Marcia, Kolby, Kanon, Robert and Tamra Sperry

The Sperry Ranch welcomes you to our 13th Annual Performance and Production Sale. We have chosen to move the sale to the ranch at Trotters, ND. We just felt it was time to bring it home. We hope you are as excited about it as we are. We are excited to show you our ranch and operation.

We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 4. They come from lines including Docs Oak, Play Gun, Young Gun and Paddys Irish Whiskey. The other foals offered in the sale come from Robert's Aunt Ginger and Uncle Gary DeCock. They are out of PBR Seco Bart. We are also offering foals from Enoch and Dixie Schaffer, Robert's cousin, that are out of Romeo White Feathers. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

The foals have been handled, halter broke and dewormed. Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

**Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.**

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

Robert Sperry and Mike Uetz

We've put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

# ▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. Please call ahead to get set up as an absentee bidder.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 16, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be held by Sperry Quarter Horses until the buyer's check is cleared through the bank. At that time, Sperry Quarter Horses will mail the AQHA papers and transfers to the new owners.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will remain on the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses assumes no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

# BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is "Badlands," which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "Oak" for Millie N Docs Oak, "Gun" for Gun Too, "Gringo" for Gringo Pistolero, "Bush" for Badlands Oak Bush and "Rain" for Rainin Whiskey.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "H" year. That's why all our foals this year have a third name that begins with an "H." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

# ROPING AND GOAT TYING CLINIC

For the past nine years, Robert Sperry and Kayla Nelson have co-hosted a roping and goat tying clinic the end of May to help young cowboys and cowgirls learn proper techniques. Over two dozen kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

**Contact Robert or Kayla for more information on participating in the 2017 Roping and Goat Tying Clinic.**

Fifty is an eye-catching gelding with outstanding conformation. A been-there-done-that kind of gelding, if you are looking for a horse who is safe to ride outside the arena on the ranch and the trails here HE is! Dives into water crossings, walks across bridges, smooth to ride and good footed in rough terrain. Fifty has been used to prowl pastures and fix fence. He will ride out alone and walk home. Hop on him bareback in a halter and take him for a quick spin. Has been used to carry flags in parades and grand entries. Would be an AQHA Ranch Pleasure contender. He rides in the bridle, has a good neck rein, really knows his leads and lopes collected circles. Moves off your leg and backs readily off your hand. A real pleasing gelding with a world of try and talent. Sound. Videos at [www.TurnerPerformanceHorses.com](http://www.TurnerPerformanceHorses.com).

He is very nice to take and ride across the pasture to check water or cows. Catie tries to steal him from me when it's time to rope. A great horse to own that you can win on.*

Tank comes by his handle as he is an athletic, stout-made grullo gelding. You will look long and hard to find one like him. Well broke, knows his leads, has a lead change, soft lope or more gas when you ask for it. He has seen it all out on the ranch and trails, doctored, sorted and prowled a lot of pastures. Has a smooth gate, will ride out alone and walk home. If you are looking for that head horse that everyone talks about at the ropings, this 5-year-old IS it. Such a nice start, really can run and rate off, and has the coolest move in the corner and can face snappy. Also, been heeled on and works well and is strong from the horn. A deluxe AQHA ranch pleasure horse, or would make a snappy barrel gelding. An all-around talented individual. Tank is sound. We welcome you to come and try him. Dually is an absolutely flawless gelding with brains, beauty and broke the very best. Any job you need to go and do you can and do it with confidence. A real ranch gelding, used to brand, gather, sort and doctor. He has a lot of cow and is not afraid to get down and hold one. Ridden many of miles out by himself and he stays focused. A deluxe trail horse – been there, done that. Will cross water, bridges and logs and is good with a slicker for those rainy days. A fancy and honest switch-end rope horse. Dually can score, can run and has a lot of rate, works off his hocks and is strong from the horn. An AQHA ranch versatility contender for those of you who like to show how broke your horse is. He has a collected lope, smooth gaits, has a lead change and can really stop. Definitely a one-horse-trailer kind of guy. Sound. *It's been a tough decision to offer this fine gelding for sale, but we are, and we hope that he goes to a family who will use, love and cherish him. We bought him as a yearling and have had him in our program ever since. Having been hauled from Montana to Arizona since we got him, he has seen all the sights and sound. Littles is a stout-made 14.2 hand, heavy-boned and muscled gelding. His personality will be like no other, he knows no stranger, is not afraid of one thing, and is always ready for you to saddle him up and ride. As a 3-year-old he had professional training by a world champion. Our go-to horse when we need one who is dependable. He may be short but there is not one thing we have not done on him – headed, heeled, roped calves, even tied a few goats. Has been hauled in the heeling. Drug calves to the fire, doctored cattle outside, he will get down on his belly and hold a tough cow. Ridden bridless, bareback, in a halter, on the side of him (although we do not condone it). He will dive into streams, ponds and rivers, cross every bridge and downed timber. Good with a slicker, other horses, pretty much anything we have thrown at him. Watch Littles in the Ranch horse competition and the roping. He is sound, up-to-date on dental, worming and farrier. If your looking for one good horse, come and try him. Very nice smaller gelding. Stands about 14.2 H and has a great way of traveling. Been used in a feed yard and outside as well. Smooth strided horse. Has a nice, soft handle that makes him a lot of fun to ride. Make a good horse for youth or someone not wanting to get on a big horse. Gentle and good to be around. Been roped off as well and watches a cow good.

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Louis Hutzenbiler, Callie and Catie Loftsgard, Kaylee Obrigewitch and Todd & Carla Leland. And thanks to Tracey Koester, Cow Camp Promotions, for the outstanding job she's done as our advertising developer and catalog designer. Thank you to BKN Enterprises of Wibaux, MT, for doing such a great job with the dirt work and cleaning up the ranch.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,

# Bud Sperry

## “Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship awarded \$8,000 in scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in June 2016.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past six years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale where they raised funds for the memorial scholarship. This year, the sale will move to the Sperry Ranch north of Beach, N.D. We have added “Old Cowboy” to the name as a tribute to Bud’s era and his friends.

This year, the Sperry family awarded two scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory

Irwin. He also qualified for “Team Cinch” in 2012-13 by being a standout in the state of North Dakota in both academics and in the rodeo arena. One of Kelby’s goals was to earn a Bud Sperry “Old Cowboy” Memorial Scholarship.

The memorial scholarships are awarded annually to both boys and girls.

The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, [www.ndhsra.org](http://www.ndhsra.org), and on Sperry Quarter Horses’ website, [www.sperryhorses.com](http://www.sperryhorses.com).
